### Job Location(s)

970 Union Street  
Vancouver, British Columbia  
V6A 3V1, Canada

### Job Description

*This position in the long-term care home is under the BC Single Site Order. The successful applicant will be legally required to work only in this long-term care home and not other care homes, assisted living, or provincial mental health facility. All employees in our home are required to strictly follow all infection prevention & control and PPE practices at work. The successful applicant will also be expected to extend good infection control practice to his/her personal life.*

### About the Organization

Villa Cathay is a long-term care home located in the Strathcona neighborhood in Vancouver BC. Since 1978, Villa Cathay is a home away from home for seniors, many of whom are Chinese immigrants, who require 24-hour professional care and need a culturally oriented environment to thrive. Through our cultural cuisine, multi-lingual staff, and cultural programs that reflects our residents living styles, elders in Villa Cathay enjoys a sense of comfort, security, community, and the continuous connection with their families.

Villa Cathay is undergoing capital redevelopment to become a modernized care environment. Upon completion, VCCH will increase the care capacity by 50%. We are looking for people who have the passion in making a positive impact to human dignity and the skills in facilitating and sustaining positive change to join our team.

### **Job summary**

Practice in accordance with the standards, scope and code of ethics as outlined by the College of Registered Nurse BC (CRNBC), within a resident-centered care model and the organization's philosophy, RN/RPN works independently and collaboratively as a member of an interdisciplinary care team and provides clinical leadership to members of nursing team. This includes activities such as assessing, planning, implementing, evaluating and documenting client care, providing support to residents and their families, and gives directions and guidance to LPNs and RCAs. Maintains and advances clinical competence pursuant to the standards of practice of CRNBC.
